Mary Pat Baldauf called the meeting to order.

After introductions, Edgar Heustess gave an update on the status of the DERA grant being used to retrofit 20 vehicles in the City of Columbia fleet.

Baldauf then turned the meeting over to the City of Columbia Stormwater Management staff.

Victoria Kramer gave an overview of the process for the new people present. She then made a presentation on one element of the Stormwater plan: Pesticide, Herbicide and Fertilizers (PHFs) Application.

Sharon Snyder then made presentations on two elements: Monitoring Program and Illicit Discharge/Improper Disposal.

Following the presentations, the group discussed concerns they had about the three elements. Victoria Kramer will be typing up the lists, which will be available on the CPAC website within the next week.

The next Stormwater meeting will be held on Tuesday, June 15 at 9 a.m. Materials will be e-mailed to members prior to the meeting.
